- a Read the reviews of Pizza West once. Which review is most positive and which is most negative?

A ALAN
I go here often because it's very close to my apartment. The pizza is OK, and it's not too expensive. The atmosphere is great, perfect for a Friday or Saturday night. It's very popular, but if you don't mind waiting, you can usually get a table. Or book online!

B STEVE AND JANE
Very expensive. In most pizza places, we usually pay about \$15 for a pizza; here it's \$22 for more or less the same thing! The food is fine, but we definitely aren't going to eat there again.

C SARAH
We've been here a lot and we always enjoy it. The menu is very good, and they have great appetizers as well as pizzas. We went yesterday for an early dinner with our three-year-old daughter and they really made us feel at home – and they served a delicious birthday cake for her. Great food, friendly waiters, fantastic atmosphere.

D BRIDGET
We booked a table, but when we got there, they asked us to sit with a lot of other people at a big table. We didn't want to because there were only two of us. Then they asked us to wait until a different table was free, so we waited for 45 minutes! But I recommend it because the food is excellent!

E GEORGE
The pizza here isn't the best I've tasted, but it's OK (and the salads are delicious). The service is a little bit slow and the place is very busy – it can be really noisy. However, the atmosphere is great and it's obviously popular. Not the place for a romantic dinner – it's more of a fun, exciting place.

- 5 ____ didn't like the table when they arrived
- 6 ____ went for a special family meal

- 8 ____ doesn't recommend it for couples who want a quiet dinner
