The SAN FRANCISCO DUNGEON

1 **IS THE SAN FRANCISCO DUNGEON?**

The San Francisco Dungeon brings together amazing actors, special effects, stage performances, scenes, and rides in a truly unique and exciting experience that you see, hear, touch, smell, and feel. It's dark, atmospheric, hilarious, and sometimes a little scary.

2 **DOES IT WORK?**

We've been entertaining and scaring audiences at The San Francisco Dungeon for over 5 years and it's one of the Bay Area's "must-see" attractions. We take you on a 60-minute journey through 170 years of San Francisco's unpleasant past. You and your companions walk through the Dungeon, moving from show to show, guided by our professional actors.

The shows are based on real San Francisco history and legends, without the boring parts! You'll get up close and personal with scary characters including Sam Roberts, a gang leader during the 1840s Gold Rush, the infamous bar owner, Miss Piggot, and Shanghai Kelly, her partner in crime.

It's a theatrical experience. That means authentic sets and theatrical storytelling. On your journey, you'll pass through narrow San Francisco streets and houses and the horrific torture chamber. Believe us, it's better than a sightseeing trip or boring museum tour of San Francisco!

3 **'S IT FOR?**

The San Francisco Dungeon is scary fun for everyone except very young guests and very sensitive adults! Our recommended age is 10 years old and above, and guests who are under 13 years of age must be accompanied by an adult over 18 years of age.

4 **AHEAD!**

The San Francisco Dungeon is very good for people who can plan ahead and book online! Not only will you save money, you won't have to wait on the day. We get busy, so make things easy on yourself and book in advance!
