Writing preparation

- 1 Read and underline the infinitive of purpose. Then choose the correct words in the sentences.**

I'm Dan. Yesterday I turned on the TV to watch a programme.
It was a cartoon about fish. The fish could talk and they
did amazing things. It was very funny. My favourite fish were the
starfish and the seahorse. I watched it with my sister Claire and we
laughed all the time. Then our dad came in and he changed the
channel to watch the news. I think that was unkind! I love watching
cartoons. I can't stand the news because it usually shows bad news.

- 1 Dan watched the cartoon **last week** / **yesterday**.
- 2 He's **happy** / **unhappy** when he watches cartoons.
- 3 Dan's dad **wanted** / **didn't want** to watch the news.
