2 Read.

We start a letter with 'Dear' and the person's name.

First, we say why we are writing. For example, if we are writing a thank you letter, we write what we are thanking them for.

If we include something with the letter, like a photo or present, we write why we've sent it.

We finish a letter with 'Best wishes' or 'From'.

Dear Cousin Tim,

It was great! It was so interesting to see how chocolate is made. My favourite part of the festival was the cooking class when we learnt to make chocolate ice cream! I made it for my mum and dad when I came back to Egypt. I also loved the chocolate sculptures on the streets.

It was also nice to stay in Aunt Sally and Uncle Tom's lovely, big, red house in Perugia. I loved the city of Perugia. It is a really interesting, old city. I would love to come back to Italy again and see some more cities there.

- I have sent you a picture of us together at the chocolate festival so we always remember it. I hope you like it!
- Best wishes, Jay

#### A letter

We write letters to thank people, to invite them to an event, to complain and for many other reasons.

We write the address at the top.

We write the date under the address.

When we use two or more adjectives, we put them in this order: opinion, size, age, colour
