Dreaming in a Spaceship

I dreamed I was in a spaceship, Flying through the stars. I passed a comet on the way,

The stars were as bright as diamonds In the darkness of the night. The moon shone like a precious pearl. It was an amazing sight!

My spaceship landed on the moon. It was wonderful for me! So I climbed onto the surface To see what I could see.

I walked round for a while, But there wasn't much to do. I found a flag and a rock or two, And then admired the view.

The next thing, it was morning. I was safe and snug in bed. I told my mum about my trip. What a lovely dream," she said.

Yes, he does.

I stared at the scene before me. It was such a lovely view. A satellite spun round and round, But on and on I flew.

I flew through the rings of Saturn, I circled the Earth below. Neptune shone with a dark, blue light And Venus seemed to glow.

The ground was very bumpy, There were moon rocks all around. Everything was very quiet And I couldn't hear a sound.

My spaceship left and made a loop Around the Milky Way. And then I felt that it was time To go back home that day.

0

But I knew there was something real About my space trip to the skies. For I found a moon rock in my pocket And there was stardust in my eyes.

2 Read.

In the Sky

The sky is as dark as black paint. The moon is as white as snow. The stars sparkle like silver jewels And all the planets glow.

The sky gets lighter quickly. The sun comes up in the sky. The birds all sing together. You can hear a cockerel cry.

The sun is as hot as burning fire. The sky is as blue as the sea. The clouds are as fluffy as newborn chicks And the birds rest in a tree.

The world is as quiet as a sleeping child. There's a very gentle breeze. The sun falls slowly from the sky And the moon shines on the seas.

A poem

There are lots of ways of making poems sound more beautiful and interesting.

We use similes to make writing more interesting and create strong images in the reader's mind.

A simile is the comparison of two things.

We use *like* ... or as ... as to compare two things.

We sometimes write different verses. There are four verses in this poem.

We usually start each new line with a capital letter.

We sometimes use rhyming words. In this poem, the rhyming words are in the second and fourth lines of each verse.

Avoid forced rhyme – using words that rhyme but don't make sense.

- 3 Read again and answer the questions.
 - 1 What two sounds can you hear in the morning? 2 Where are the birds in the afternoon?
- 4 Complete the similes with the best words.

a cheetah a pearl fire honey ice a tortoise
