TRAVEL BLOG: My Year Around the World

I'm Sara. I'm 12 years old and this is my blog! We left Canada in January when Mum and Dad decided they wanted us to give up our lives in Canada, and go travelling for a year! They said they wanted us to learn about lots of different things around the world by seeing them all! It was the start of a big adventure!

On Day 1, we flew to Delhi, in India. What an amazing place! It was so busy and noisy. There were hundreds of <u>rickshaws</u>, motorbikes and cars driving around, and people shouting and <u>rushing</u> everywhere. We spent a couple of days in Delhi and then went by train all the way down the coast to Kerala. The journey took four days! But it was so interesting to sit on the train and watch the sights out the window.

We stopped in a fantastic town called Varkala. There were palm trees on the beach, white sand and great sunshine. We sat on the beach for a few hours and then we decided to do something really exciting! We went on an elephant ride! We travelled through the jungle and across rivers. It was so exciting! It was quite scary being so high up on an elephant, but it was still great fun. Unfortunately, my brother Dan hated it because he doesn't like heights!

After Varkala, we spent a few days on a houseboat travelling down a river. We stopped once at a village and met a local family who invited us to eat with them. The food was traditional food from Kerala. It was quite spicy and full of different flavours. After that, the local children taught us a traditional Indian board game called Carroms. We also did some fishing from the boat and I caught my first fish! We cooked it and it tasted great!

We're going to spend a few more days in Kerala and then we're going to Sri Lanka. I'll write an update on my blog again when I arrive there!

Lesson Seven

Writing

1 Look at the opinion essay. What is it about? 2 Read.

An opinion essay

We can write an opinion essay to discuss the advantages and disadvantages of something. We divide the essay into four paragraphs.

Paragraph 1:

the introduction (where we introduce the topic)

Paragraph 2:

the advantages (where we explain the good things about the topic)

Paragraph 3:

the disadvantages (where we explain the bad things about the topic)

Paragraph 4:

the conclusion (where we make our final decision about our opinion)

Tourism

Every year, millions of people travel around the world to visit

the islands in the Caribbean Sea. But is it a good thing?

However, not everything about tourism in the Caribbean islands is good. Firstly, tourists can make peaceful places busy and noisy because there are more people, cars and planes than before. Secondly, tourism can destroy wildlife because hotels are sometimes built on their natural habitat. Finally, many foreign businesses own the hotels, shops and restaurants. So, sometimes, big companies get all the money, not the local people.

It seems to me that although tourism can be good for islands in the Caribbean, it can have bad sides, too. In my opinion, it's always important for tourists to respect the local culture.

3 Read again and answer the questions.

- 1 Where do tourists often spend money?
- 2 How does tourism hurt wildlife?

4 Look at the sentences. Which paragraphs in an opinion essay do they come from?

1 Climbers often leave a lot of litter.
2 In my opinion, people should respect the environment.
3 Climbing is a popular sport, but is it a good one?
4 You can see some fantastic scenery.
5 Exercise is very good for your health.
6 It can be very dangerous.
