1 What does Sandy Berry do?

SANDY BERRY has an exciting job. She's a sound engineer, and she travels around the world with bands on tour. Here, she tells us about her life, and why she loves her job so much.

A

It's difficult to choose. I work with my favourite thing in the world – music. I travel all over the world. I was in Europe last month, and in the USA the month before that. I'm always meeting new people and learning new things. And I see brilliant shows every night. It's great fun.

B

His name was Mr Royce and he was my music teacher when I was 11. His lessons were great. He was a sound engineer before he was a teacher. He was so pleased to help me make my dream come true.

C

By bus! After each show, we pack all the equipment up and then drive to the next place. When we arrive, we get the stage ready for the show that night. We need to be quick, because often there isn't much time.

D

Not much! There is only space for each of us to have a very small bag. I take good shoes, because I'm on my feet a lot. And one set of nice clothes for going out on our day off. I don't take a book because there's no time to read.

E

Well, the days are very long and I get tired sometimes. I work 16 hours some days. And you need to be strong because the equipment is heavy. It's not an easy life. But I have no plans to change it!
