And the walls inside our homes will move so we can change the shape of rooms (5) _____. Nobody will paint their homes. Every home will have special (6) _____ to give the walls different colours and pictures at different times.

One of the most amazing ideas in the report is that we will take our own homes with us on holiday! People will have special holiday homes, full of all their things, and carry them to their holiday place. We will use large drones (objects that fly without a pilot) to do this. This may mean that people won't use hotels in the future. And when we are bored of that, instead of going away to the beach or another country, we will leave the world and fly to the moon or go to another planet.
