7 Grammar Review

Aims: To review and practise grammar from the unit. This can be completed when students have finished the unit.

Time: 15–20 minutes

Materials: One handout, one dice and counters for each group of three or four students

- Divide students into groups of three or four and give them a copy of the board game, a dice and counters. Tell them to place their counters on the START square. The first student rolls the dice, moves their counter and does the task on the square. If they can't do the task, or they make a mistake, they go back three spaces. The winner is the first person to the FINISH square, or the person on the highest number when you stop the game.
- If a student can't answer questions 3, 9 or 15, the question can remain 'in play' for another student to answer if they land on it.

KEY

- 2 repaired; yourself; being
- 3 Who was *David Copperfield* written by? (Charles Dickens); Who was *Stay with me* sung by? (Sam Smith); Where are SEAT cars made? (in Spain)
